

# Corporate Solutions at a glance

Advancing Corporate Insurance Together.

Our extensive knowledge and expertise allow us to understand the risks you face today, anticipate the risks you'll face tomorrow and tailor your coverage accordingly.

It's our goal to make your business, and the world, more resilient

In a world of ever-increasing risk and complexity, Swiss Re Corporate Solutions can help you navigate uncertainty by advancing corporate insurance together. We act as your company's go-to insurer, understanding your intricate needs and providing state-of-the-art, customised and cutting-edge solutions across all sectors. Our mission is to cultivate enduring partnerships, offering comprehensive risk management support today and for years to come.

Our dedicated teams of specialists cater to the needs of medium-sized and large companies, leveraging the robust financial stability of one of the world's foremost

providers of reinsurance – all backed by extensive market insight and industry expertise.

As the commercial insurance division of the Swiss Re Group, we harness over 160 years of experience, substantial capacity and financial stability. Our appetite for risk is matched only by our dedication to innovation. With a portfolio boasting more than 50 traditional and cutting-edge insurance products, and a global presence spanning more than 50 offices across 20 countries, we're poised to collaborate closely with you in tailoring solutions to match your specific needs and exposures.

## Insurance Services

In navigating complex risks, you need tailored solutions beyond mere transfer. We reject one-size-fits-all approaches, instead offering comprehensive risk management and insurance services. Our global team, renowned for its creativity and expertise, serves as industry thought leaders, employing fresh perspectives and cutting-edge technology to support decision-making. Committed to unparalleled customer service, we provide global expertise with personalised attention. From Risk Engineering to Claims, we collaborate closely to address your unique risks, enhancing your risk management strategy.

- » Risk Engineering Services
- » Risk Data & Services

## Alternative Risk Transfer

You have a problem – we'll find a solution. As your risk might be unique, it will require innovative solutions beyond conventional transfers. We recognise that traditional approaches fall short. Leveraging our risk capital, we devise creative strategies for even the most challenging risks. Our expert team works with you to craft risk-transfer structures for difficult-to-hedge risks. Let's tackle your challenges together and find the right solution for you.
