Arch Insurance's Excess Workers' Compensation team is comprised of professionals with an average of 20 years of experience, who are deeply committed to the self-insured market providing coverage to individual and self-insured groups within our target classes of business. We enter into partnerships with a long-term view and seek to build committed relationships with our customers. Our experienced underwriters have comprehensive technical knowledge and work with you to create the best solution.

Arch Insurance policyholders receive complimentary access to Arch Insurance's Risk Control Portal – a comprehensive platform provided by Zywave – that contains a wide range of high-value tools and interactive applications designed to help insureds with a variety of safety, risk management, HR and compliance issues. When claims do occur, our dedicated Excess Workers' Compensation Claim Account Managers are responsible for account management and serve as a resource for partnered TPAs and insureds for complex claims handling.

### Excess Workers' Compensation Benefits

- Empowered decision-makers able to provide quick turnarounds.
- Knowledgeable underwriters who accurately analyze exposure and loss experience.
- Collaborative team comprised of underwriters, claims managers and actuaries who are focused on long-term partnerships.
