

Premises Environmental and Remediation Liability (PEARL)

Argo Environmental offers modern, flexible, industry-leading coverage for a range of site pollution exposures faced by a variety of industry segments such as manufacturers, real estate, wholesale, retail, energy and technology.

PROGRAM HIGHLIGHTS

- First- and third-party coverage
- Broad definition of pollutant conditions; not all pollutants are hazardous or toxic
- Emergency expense coverage
- Limits up to \$10 million per occurrence / \$10 million aggregate
- Multi-year options available
- Mold and legionella coverage available
- Minimum premium is \$3,500

COVERAGES

- Pre-existing and new pollution conditions
- Reputation management and business continuity expenses
- Non-owned disposal site liability
- Transportation pollution liability
