

## COVERAGE DESIGNED FOR SUCCESSFUL SERVICE & ARTISAN FLEETS

### Light Business Auto - Service/Artisan Contractors - HDI

- Available in all states except AK, KS, KY, MA, NV and NY
- Minimum Premium: \$100,000

#### Save With Safety

Pay only for actual miles driven. No more daily rate charges for idle vehicles. High performing fleets can save even more through safe driving. It's time to take control of your insurance costs.

#### Easy Fleet Risk Management

Successful and profitable fleets get ahead of issues before they arise. We provide actionable insights into your operations and fleet behavior to allow a more proactive risk management approach.

#### Automated Actionable Insights

Take the guesswork out of your operations with near real-time risk management insights. Reward good driving and correct risky behavior to continuously improve safety and control costs.
