Excess Automobile Liability & Umbrella Liability

Gemini Transportation Underwriters is a leading provider of excess liability insurance for companies in the transportation industry. We offer excess liability coverage for all types of vehicles.

As part of W. R. Berkley Corporation, one of the nation's premiere commercial lines property casualty insurance providers, we combine the resources of a Fortune 500 company with the underwriting expertise and personalized service of a specialty carrier.

We are pleased to underwrite and issue policies on behalf of Gemini Insurance Company*, also a W. R. Berkley member company, which carries an A. M. Best Financial Strength Rating of A+ (Superior) and a Financial Size Category of XV.

**Products and services described above are provided through surplus lines insurance company subsidiaries of W. R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. For additional information concerning W.R. Berkley Corporation's insurance company subsidiaries, visit www.berkley.com. | © 2022 All Rights Reserved*

OUR DIFFERENCE

Gemini's singular focus is excess liability insurance for the transportation industry. Our underwriting expertise and commitment to transportation have enabled us to become a market leader by providing consistent and competitive insurance products since 2009. Our claims staff handles only complex and severe excess transportation claims. We have the specialized knowledge and experience to evaluate and resolve these claims to deliver the most favorable outcome possible. This protects our insureds' assets and lowers their total cost of risk.

At Gemini, we pride ourselves on ...

...Experience: With an average of over 20 years casualty insurance experience, each of our highly-talented underwriters possesses specialized transportation industry underwriting knowledge.

...Integrity: One of our strengths lies in our commitment to ethical business practices. Virtually any common carrier or private fleet is eligible for underwriting consideration. Looking beyond preliminary facts, we guarantee fair treatment to all clients by thoroughly analyzing each account.

...Innovation: We consider ourselves fast adapters to changing market conditions and situational factors. Thus, we provide innovative program design, are willing to modify existing policy forms, and can customize coverage on a case-by-case basis.

...Quality Risk Selection: Our carefully designed risk selection process helps us to choose those customers who can appreciate the mutual benefits of high-quality customer portfolios. This thoughtful focus on risk selection allows us to keep premiums at very competitive levels for our target customers.
