TOKIO MARINE
AMERICA

Tokio Marine America's inland marine specialists focus on a wide range of products. With an exhaustive knowledge of the industries that we service, and an internal support system of claims and loss control carefully developed over decades, we are uniquely positioned to be a top-tier inland marine market for select producers.

Tokio Marine America is building on its over 140 year investment in the ocean marine sector and has expanded into inland marine. The nature, flavor and ingenuity of underwriting between the two disciplines are very similar and the resources at our disposal are unmatched.

Our Inland Marine team consists of multi-dimensional industry specialists providing exquisite service to a hand-selected group of distribution partners.

Renewable Energy, Affinity Groups, Leasing Companies, Installment Sales, Exhibitions, Cultural Institutions, Galleries, Trip-Transits, Construction, Transportation, Medical Equipment, Musical Instruments, and Film Equipment. This too, is inland marine. At Tokio Marine, we are solution providers for both the standard and unique exposures. Let us help you differentiate yourself in the market.

Unique Features

We work with a select group of distribution partners. Such an approach allows for intensive service and advanced knowledge of your agency or brokerage.

Tokio Marine has a keen interest in designing proprietary underwriting solutions for specific inland marine portfolios. Ask us about how we can be a solution provider to a group of similar insureds that have the same inland marine insurance need.

Minimum Premiums

Our relationships-driven approach eliminates the need for pre-determined minimum premiums. Let us work with you to establish what makes the most sense for both parties.

Admitted Status

Tokio Marine is licensed to write inland marine business in 50 states. Non-admitted capabilities are available for unique opportunities.
