INLAND MARINE TRANSPORTATION

**TOKIO MARINE
AMERICA**

Tokio Marine America's inland marine specialists focus on a wide range of transportation-related insurance products. With an exhaustive knowledge of the industry, and an internal support system of a specialized claims unit, we are uniquely positioned to be a top-tier transportation insurance market for select producers.

Tokio Marine America has been engaged in insuring transportation-related risks in the United States since the 1880s. Our primary focus within the inland marine sector is on motor carriers, freight brokers, forwarders and logistics providers. Transportation loss experience tends to be attritional in nature, and Tokio Marine has dedicated its specialized unit – TM Claims Services, Inc. (TMCS) – with over 20 cargo claims specialty adjusters to provide excellent service.

As part of our commercial inland marine product offering, the transportation industry is well served by unmatched financial strength, dedicated underwriting experts, and a suite of flexible insurance products that can be tailored to fit your needs.

Our Inland Marine team consists of multi-dimensional industry specialists providing exquisite service to a hand-selected group of distribution partners.
