Being part of a great tradition.

For more than 200 years, The Hartford has been delivering on our promises. And we've been named one of the "World's Most Ethical Companies" by the Ethisphere Institute 14 times.¹

Earning the respect of agents and customers around the world has a lot to do with the way we handle claims. And how we persistently offer clients ways of reducing loss with applied risk engineering.

Doing the right thing is the way we do business. For you, that means:

Offering total solutions.

We're one of the few carriers that offers inland marine underwriting expertise and products as part of a multi-line solution or as monoline coverage. So you miss no opportunity.

Dedicated Risk Engineering consultants.

We're firm believers in helping your clients reduce their losses. So we complement our broad product portfolio with specialized inland marine risk engineering consultants nationwide, as well as specialized education and training.

Dedicated Claims adjusters.

When a loss occurs, we handle it swiftly and accurately. Our transportation claims specialists handle losses to goods in transit, together with a network of claims adjusters.
